Revised Watering Restrictions Effective July 1, 2010

Lawn Watering Schedule and Times

- **Lawn watering is limited to twice per week as follows:**
 - **Even addresses may water on Thursday and/or Sunday before 10 a.m. or after 4 p.m.**
 - **Odd addresses may water on Wednesday and/or Saturday before 10 a.m. or after 4 p.m.**

Landscape Watering Schedule and Times

- **Hand watering and micro-irrigation of plants (other than lawns) can be done on any day and at any time.**

New Lawns and Plants

- **New lawns and plants have a 30-30 establishment period, which allows any-day watering during the first 30 days.**
- **During the second 30 days, watering is allowed three days per week: even-numbered addresses may water on Tuesday, Thursday and Sunday; odd-numbered addresses may water Monday, Wednesday and Saturday.**

Reclaimed Water

- **Reclaimed water remains subject to voluntary watering hours, unless blended with another water source or restricted by the local government or utility.**

Fountains, Car Washing and Pressure Washing

- **There are no restrictions on fountains, car washing and pressure washing. However, the District asks that residents be as efficient as possible, such as using a shutoff nozzle on their hose so water isn't wasted.**

Many people are replacing damaged turf with sod, seed and plugs. Please call the Citrus County Water Conservation Specialist at 527-5543 when installing new plant material to report the address and date of installation. This will help to avoid any misunderstandings as the county continues to enforce current watering restrictions.
