January 24, 2010

Dear Residents,

The Sugarmill Woods Civic Association has invited Citrus Memorial Health System officials for our next Community Outreach Program meeting to update the community on Citrus Memorial Health System organization overall and the latest information on the new **Citrus Memorial Healthcare Center at Sugarmill Woods** since its opening last September. It is a beautiful facility. If you have not had a chance to stop over and see it, please do so.

We are honored to have **Citrus Memorial Health System CEO Ryan Beaty** as our guest speaker.

The meeting is scheduled for **Tuesday February 02, 2010 from 6:30 PM to 7:45 PM at the Sugarmill Woods Country Club.**

In addition to Mr. Beaty speaking Citrus Memorial will also have on hand various other speakers who will give more specifics about the new Healthcare facility, how it is doing since its opening, what is the reaction from patients and staff so far, etc.

The Citrus Memorial Healthcare Center at Sugarmill Woods offers a Family Care Center, Primary Care Offices, a Laboratory Collection Center, a Diagnostic Imaging Center, and a Rehabilitation Center featuring both physical therapy and aquatic therapy.

Many residents of Sugarmill Woods volunteer their services at the Healthcare Center and at other locations within the Citrus Memorial Health System organization. If you are interested in volunteering, you can find out more information about that as well.

Please mark this date on your calendar and bring your friends and neighbors to learn more Citrus Memorial Health System, its organization and operations, its services, and the services available at the Citrus Memorial Healthcare Center at Sugarmill Woods.

Sincerely,
