

# **Sugarmill Woods Bulletin**

## **April 1, 2010**

**Dear Residents,**

Some updates on our Recycling Program and a message from the SMW Garden Club.

### **Sugarmill Woods Garden Club**

The Sugarmill Woods Garden Club asked me to inform you that their Plant Sale Day is scheduled a week from this Saturday. Now is the time to consider replacing any plants or shrubs that you might have lost due to the record low temperatures that we experienced this past winter.

The Sugarmill Woods Garden Club will hold its annual Plant Sale on Saturday, April 10 starting at 8:00 AM at the Oak Village Tennis Courts with a rain date of Sunday, April 11 (same time and place). They will have a wide assortment of Annuals, Perennials and Native Plants available and they plan to hold a raffle with a chance to win a beautiful plant. If you have any questions, please contact Mr. Dennis Wassell at 382-2553 or via email at [munchy432000@yahoo.com](mailto:munchy432000@yahoo.com).

### **Sugarmill Woods Residential Recycling**

I received another update from F.D.S. Disposal with the collection results for the month of March for residential pick up of recyclables. We have now recycled **62 tons (124,000 pounds)** in the first month.

Another point of interest is Yard Waste collection. In February, 2010 prior to the bundled program offering, F.D.S. Disposal collected **16.6 tons (33,200 pounds)** of yard waste in Sugarmill Woods.

For the month of March, 2010, the Yard Waste collection has jumped to **44.2 tons (88,400 pounds)**. Many more residents are now using this service and helping to preserve the beauty of our greenbelt.

Please look for more information and articles on recycling and related topics in the April issue of the Greenbelt Gazette.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
