

Sugarmill Woods Bulletin

June 1, 2010

Dear Residents,

The Sugarmill Woods Civic Association will be holding a Community Outreach Program meeting this month to focus on issues related to Fire Rescue Operations, SMW Fire Station status, and proposed changes for upgrading the overall Fire Rescue Operations organization in Citrus County.

We are honored to have **Fire Chief Larry Morabito** from Citrus County Fire Rescue as our guest speaker.

The meeting will be held on **Wednesday, June 23, 2010 from 6:30 PM to 7:45 PM** at the **Sugarmill Woods Country Club.**

Several weeks ago, I received several emails from residents with concerns about the current status of the SMW Fire Station. I contacted Fire Chief Morabito to get a status update and shared the information with residents in a follow up Bulletin. Since then I have received more information, some of which is different than what I understood was the current status. I contacted Fire Chief Morabito to ask him to meet with SMW residents to share the real facts and latest status of what is being discussed and proposed for Citrus County. Sometime over the next few months, Fire Chief Morabito will be making several proposals and recommendations to the BOCC for upgrading and enhancing Fire Rescue Operations. It is important for you to understand these proposed changes and provide your input. I strongly encourage you to attend this COP meeting.

Please join us and invite your friends and neighbors in Sugarmill Woods to come with you to the meeting. All of us should know what the last status is and what is being proposed for upgrades to Citrus County Fire Rescue Operations.

The Sugarmill Woods Civic Association is sponsoring this meeting as part of the Community Outreach Program.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
