

Sugarmill Woods Bulletin

November 10, 2010

Dear Residents,

The Sugarmill Woods Civic Association needs your help. It is that time of year again when we kick off our Membership Drive for 2011, request volunteers to consider serving on the Association Board, and request resident input on any changes to the SMW Phonebook before we publish the 2011 edition.

Civic Association 2011 Membership Drive

The Civic Association has started its 2011 Membership Drive. Later this week you will be receiving a letter from us describing the organization's purpose, focus areas, accomplishments, and the need for your participation and support. The Civic Association is dedicated to the conduct of various activities that benefit everyone living in the community. We are extending an invitation to you to please consider joining or renewing your membership in the Sugarmill Woods Civic Association for 2011. Membership is voluntary and annual dues are only \$15 per resident household for the calendar year.

Please talk to your friends and neighbors and encourage them to please consider joining as well. Please help support the important work we do for everyone who lives in our community.

Civic Association Recruiting New Board Members

Each fall, the Board of Directors of the Civic Association conducts a recruitment drive to attract new candidates to serve on the Civic Association Board of Directors. New Board members would serve a three year term beginning January, 2011.

The only qualification requirement is that Board members be a resident of Sugarmill Woods. Residents with special skills in finance, legal, engineering, public relations, utilities, and other professions are encouraged to volunteer as candidates to join the Board.

The Board meets the second Monday each month. Board members maintain a liaison with county and state officials, monitor utility services in the SMW community, and interact with other local organizations. If you are interested and need more information, please contact Duane Dueker at 352-246-5597 or via email at DuaneDueker@aol.com.

SMW Directory of Residents for 2011

The Sugarmill Woods Directory of Residents (Telephone Book) for 2011 will be published and delivered in January. New residents who wish to be included or residents who want a change in their listing should provide their information as soon as possible on or before November 30.

An Enumeration/Membership Application card is located in the front of the current SMW Telephone Book. One is also included in the Membership Drive letter that you will be receiving this week. Once the form is completed, the card can be mailed or dropped in the Civic Association's box at the Cypress Village entrance communications wall.

New residents frequently assume that their listing will automatically appear in this directory when they contract for telephone service. That is not the case. The SMW Directory of Residents is created by the SMW Civic Association. There is no charge to be listed in this Directory. It is voluntary if you want to be listed or not but you must let us know if you want to have your name, address, and phone number listed.

Questions about the SMW Directory of Residents and / or any requests for changes should be submitted to its editor, Mr. Norm Wagy, at nwagy@tampabay.rr.com.

Thank you for your continued support of the Civic Association.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
