

Sugarmill Woods Bulletin

November 29, 2010

Dear Residents,

The Sugarmill Woods Civic Association Board has been working with Nature Coast Web Design & Marketing, Inc for several weeks developing a fresh new web site that you will find interesting, informative, and easy to use. We launched the new web site today and I hope you take this opportunity to visit it and see for yourselves what we have done. The web site address is www.sugarmillcivic.org (same name but a complete new look).

Enhancements include easy navigation of group headings dealing with sections about the Civic Association, Membership, Communications, a new Nature Coast section, Descriptions of other Sugarmill Woods Organizations and links to them, Links to frequently visited Citrus County organizations, etc. The web site is loaded with photographs of the Sugarmill Woods community and the surrounding areas. We designed the site to be "resident" user friendly and an easy to use resource of information. At the same time we wanted to provide a web site for individuals and families who might be considering Citrus County and Sugarmill Woods as their next home.

Please take time to visit the web site. As always, we appreciate your comments and suggestions. The Sugarmill Woods Civic Association is dedicated to the conduct of activities that benefit everyone living in the community. Thank you for your continued support.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
