## **June 4, 2011**

**Dear Residents,**

Norm Wagy, SMW resident and editor of the Greenbelt Gazette, mentioned that a video journalist from the **CBS Sunday Morning** program visited the Ellie Schiller Homosassa Wildlife Park recently to make a video story that is scheduled to run this Sunday morning, June 5, 2011 at approximately 10:25 AM. The program ends each week with a nature video segment. This week, the **Ellie Schiller Homosassa Wildlife Park** will be featured and receive national attention to add to its world-wide reputation as a favorite Florida attraction. You can view it on Channel 10 or HD 1010.

Also, we want to remind you again that our Community Outreach Program meeting originally scheduled for Tuesday June 7, 2011 has been canceled.

### **Community Outreach Program Meeting**

**Tuesday, June 7, 2011 - CANCELED - Unites States Congressman Rich Nugent** was scheduled to be our guest speaker from **6:30 PM to 7:45 PM at the Sugarmill Woods Country Club**. Congressman Nugent had to travel overseas on government business so we have to reschedule this meeting. We are now working with Congressman Nugent's office to find another date later this summer or early fall. We will let you know as soon as we are able to reschedule the meeting. Thank you for your understanding.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
