

Sugarmill Woods Bulletin

November 4, 2011

Dear Residents,

The Sugarmill Woods Civic Association needs your help. It is that time of year again when we kick off our Membership Drive for 2012 and request resident input on any changes to the SMW Phonebook before we publish the 2012 edition.

Civic Association 2012 Membership Drive

The Civic Association has kicked off its 2012 Membership Drive. In the next few days you will be receiving a letter from us where we communicate the organization's purpose, focus areas, accomplishments, and request your support. The Civic Association is dedicated to the conduct of various activities that benefit everyone living in the community. We are extending an invitation to you to please consider joining or renewing your membership in the Sugarmill Woods Civic Association for 2012. Membership is voluntary and annual dues are only \$15 per resident household for the calendar year.

For those of you who are new to the community, or have not been members in the past, we invite you to become participating members in the Civic Association. For past members, we invite you to join us again in 2012. Please talk to your friends and neighbors and encourage them to please consider joining as well. Please help support the important work we do for everyone who lives in our community.

SMW Directory of Residents for 2012

The Sugarmill Woods Directory of Residents (Telephone Book) for 2012 will be published and delivered in January / February time frame. New residents who wish to be included or residents who want a change in their listing should provide their information as soon as possible on or before November 30.

An Enumeration/Membership Application card is located in the front of the current SMW Telephone Book. One is also included in the Membership Drive letter that you will be receiving this coming. Once the form is completed, the card can be mailed or dropped in the Civic Association's box at the Cypress Village entrance communications wall.

New residents frequently assume that their listing will automatically appear in this directory when they contract for telephone service. That is not the case. The SMW Directory of Residents is created by the SMW Civic Association. There is no charge to be listed in this Directory. It is voluntary if you want to be listed or not but you must let us know if you want to have your name, address, and phone number listed.

For the third year, the book will be published by Excel Publishing in Crystal River. Last year's edition was highly praised by residents. Mike Buchanan, president of the company, pledges to make even more improvements for the 2012 Edition.

Questions about the SMW Directory of Residents and / or any requests for changes should be submitted to its editor, Mr. Norm Waggy, at nwagy@tampabay.rr.com on or before November 30, 2011.

Thank you for your continued support of the Civic Association.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
