

Sugarmill Woods Bulletin

December 16, 2011

Dear Residents,

Each fall, the Board of Directors of the Civic Association conducts a recruitment drive to attract new candidates to serve on the Civic Association Board of Directors. New Board members serve a three year term beginning January, 2012.

The only qualification requirements for being a Board member are 1) you must be a resident of Sugarmill Woods and a member of the SMW Civic Association and 2) you have a strong desire to serve in support of your community. Residents with special skills in finance, legal, engineering, public relations, utilities, and other professions are encouraged to volunteer as candidates to join the Board.

The Board meets the second Wednesday of each month. Board members maintain a liaison with county and state officials, monitor utility services in the SMW community, and interact with other local organizations in the county. Most important, the Civic Association Board members serve and represent you, the residents of Sugarmill Woods.

This year we have three excellent candidates who have graciously volunteered to serve on the Civic Association Board. Included below is a brief summary of their background, experience, and interests.
