**Dear Residents,**

Enclosed is the 4Q 2011 summary of the Crime Report for the Sugarmill Woods Community area. Again the categories of **Burglary, Theft / Larceny,** and **Vehicle Break In / Theft** dominated the list of reported crimes. The Citrus County Sheriff's Office continues to do an excellent job investigating these crimes and apprehending the individuals responsible for these crimes.

These three categories of crimes represent 65% to 85% of the reported crimes occurring in Sugarmill Woods each quarter. Summarized below are the categories of reported crimes that have occurred in the Sugarmill Woods community area over the last five quarters.

For those of you interested in more details of the crime activity occurring in our community and / or Citrus County, there is a link on the Citrus County Sheriff's Office web site which describes an On Line Tracking system that has been in existence since early 2009.

It is called **Crime Mapping On Line**. The interactive crime mapping application is accessible through the Sheriff's Office web site and allows you to view recent reported criminal activity within Citrus County. The operative word here is "reported". You can search the online system by address to zero in on your neighborhood and also see a listing of reported criminal activity for the last three months. The direct link is [www.crimemapping.com/map/fl/citruscounty](http://www.crimemapping.com/map/fl/citruscounty). If you don't report the crime, the Sheriff's Office cannot do anything about it. Please report all criminal activity and suspicious activity to the Sheriff's Office.

Since 2009, the Citrus County Sheriff's Office has also been offering a **"Free" Crime Prevention Survey** to homeowners throughout Citrus County. Feedback from residents that have participated in

these surveys has been very positive. Here is a brief summary of what the program is all about. I strongly recommend that you at least consider it.

The **Crime Prevention Survey** is conducted by a person from the Sheriff's Office who is a "**Certified Florida Crime Prevention Practitioner**." The Sheriff's Office representative comes to your house and spends about an hour to an hour and a half surveying your home both inside and outside. The person reviews landscaping and shrubs around your home where intruders could hide and outside lighting which could help to deter intruders, checks doors and windows, locks, etc. and alarm systems. The person talks about Identity Theft and gives suggestions where and where not to hide things in your home. After completion of the survey, the homeowner is given a list of recommended changes to enhance the security of their home. The survey is free and it is voluntary if the homeowner makes all, some, or none of the suggested changes. It is your decision. If you are interested in participating in this "free survey", please contact **Sgt. Chris Evan at (352) 527-3701** or send an email to [cevan@sheriffcitrus.org](mailto:cevan@sheriffcitrus.org) or [crimeprevention@sheriffcitrus.org](mailto:crimeprevention@sheriffcitrus.org).

In 4Q 2011, **85% of the reported crimes** (17 of 20) were **Burglary, Theft / Larceny, and Vehicle Break In / Theft**. The Sheriff's Office emphasizes a slogan they have coined "**Lock It or Lose It**". Did you know the simple act of locking your car doors – something that takes less than 3 seconds – can help prevent crime? According to the Sheriff's Office the number one crime we have in our otherwise safe community is burglary – incidents in which items are stolen from vehicles, open garages, unsecured homes and yards or other places in plain sight. As citizens of Citrus County, we can all partner with the Sheriff's Office to reduce crime and reduce our risk of becoming a victim.

**Lock Up.** Lock your car doors and keep them locked at all times – even when your car is sitting in the driveway. Consider keeping the doors of your home locked even when you are home. Keep your garage doors shut as well.

**Secure it.** The Sheriff's Office recommends not leaving any valuables in your car even if it is locked. Just putting items in the trunk is not good enough anymore. Don't leave valuables, such as bikes or golf clubs, in plain view. Keep all household valuables in a safe place.

**Be a good neighbor.** Watch out for others and share these simple steps with them. Let your neighbors know if they have left something valuable outside or if they have accidentally left their garage door open. If you see suspicious behavior in the neighborhood, please report it.

As always, if you have any questions, please feel free to call the Sheriff's Office Non-Emergency line at (352) 726-1121 and ask for Crime Prevention. They are eager to help you.

Last but not least, the **Sugarmill Woods Crime Watch** team which is a volunteer organization established by the Citrus County Sheriff's Office provides a "**Free**" **Home Security Check** for residents who make a prearranged vacation watch request. If you would like to take advantage of this service, residents can now go to the Sheriff's Office official web site at [www.sheriffcitrus.org](http://www.sheriffcitrus.org), click on "**Crime Prevention**", and then "**Vacation Watch Request**" to sign up. Residents can fill out the one page form on line and submit it electronically.

If you prefer, you may call the Citrus County Sheriff's Office Non-Emergency line at (352) 726-1121 to request this service as well. Please tell the Sheriff's Office representative that you are a resident of Sugarmill Woods and would like to have security checks made of your home by Sugarmill Woods Crime Watch during your absence. You will be asked a series of questions, such as, who has a key to your house? Will there be a car parked in the driveway and other pertinent information so that the Crime Watch officer will know what to expect when checking your house.

A form containing all this information is then sent to Sugarmill Woods Crime Watch and is placed in the daily security check log maintained by the organization. Any discrepancy encountered by a Crime Watch officer on patrol while performing a house check is immediately called in on the car radio and a Deputy Sheriff is dispatched to investigate. It takes about two weeks from the time you place that call until the final information is received by the SMW Crime Watch unit. So please plan ahead. Call the Sheriff's Office at least two weeks prior to your departure to ensure complete coverage during your absence.

Upon your return, please notify the Sheriff's Office to let them know you have returned and they can cancel security checks of your home. A house check is a courtesy of the Citrus County Sheriff's Office. Every effort will be made to check your home. SMW Crime Watch in conjunction with the Sheriff's Office will report any unusual findings or crime. It does not preclude you from being a victim of crime and does not guarantee the safety of your home.

I hope this information is helpful. Please share it with your friends and neighbors.

Sincerely,

Duane Dueker, President, Sugarmill Woods Civic Association
