

SUGARMILL WOODS CIVIC ASSOCIATION

Membership Application / Renewal Form

The Civic Association is devoted to preserving the characteristics of Sugarmill Woods that attracted us all here. We diligently monitor utility, zoning and educational issues and work with law enforcement, safety and local charitable organizations. We sponsor community meetings and publish periodic bulletins.

We are a voluntary organization; our resources are derived solely from residents who support us with dues of only \$15.00 a year.

The Board of Directors oversees the prudent expenditure of its funds and invests any surplus to maintain a reserve to meet future requirements.

A telephone directory is published and distributed to every resident in Sugarmill Woods and we wish to have every resident listed in the directory but that, too, is voluntary. To secure a listing in the Directory and to support our future work, please complete this form.

If you have any questions about the Association, please contact the President at (352) 436-0245.

- Dues are \$15.00 and run for fiscal year January 1 through December 31.
- Please place the completed application form and remittance in an envelope.
